About Stellar Diamonds plc

Stellar Diamonds plc is London (AIM: STEL) quoted diamond mining and exploration company that has a portfolio of projects in West Africa. Two projects in Guinea are in production, Mandala and Bomboko, which provide cash flow to the Company.

Stellar also owns rights over four high-grade kimberlites that are the focus of further development. In Sierra Leone the Tongo and Kono projects comprise a series of kimberlite dykes, with the Kono project having produced 4,200 carats of diamonds through underground trial mining with Joint Venture partner Petra Diamonds. In Guinea the Droujba kimberlite pipe

and the Bouro kimberlite dykes are located in proximity to the Mandala mine and demonstrate grades of up to 200cpht and 500cpht respectively.

Forward-looking Statements

This press release includes certain forward-looking statements. All statements, other than statements of historical fact, included herein, including without limitation, statements regarding the future plans and objectives of Stellar, are forward-looking statements that involve various known and unknown risks and uncertainties as well as other factors. Such forward-looking statements are subject to a number of risks and uncertainties that may cause actual results or events to differ materially from current expectations, including delays in obtaining or failure to obtain required regulatory approvals. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Any forward-looking statements speak only as of the date hereof and, except as may be required by applicable law, Stellar disclaim any obligation to update or modify such forward-looking statements, either as a result of new information, future events or for any other reason.
